

Junk In the Trunk Vendor Rules

1. Spots are available on a first come, first serve basis. Spots may not be reserved in advance or saved ahead of time.

2. You may not place ANY items in the street until the streets are closed.

Barricades will be placed by volunteers around 7 a.m. Vendors that do not adhere to this rule may be banned from participation in future events.

3. Vendors should set up items for sale in the area directly behind their vehicle. Items should not block other vendor vehicles or impede access to other vendors or customers.

4. Vendors are strongly encouraged to use only one space. Vehicles with trailers requiring multiple spaces should consult with an event coordinator before parking.

5. Only vehicles with items to sell will be allowed in the event area. If you are assisting with sales but not transporting items for sale, please park in one of the parking lots off the square.

6. Vendors must follow the instruction of volunteers regarding the available parking spaces for set up and fill the first available parking space furthest from the Junk in the Trunk vendor entrance.

7. Vendors are not allowed to set up and sell outside of the event area where traffic is not closed. This is a public safety issue and will be reported.

8. All vendors should begin packing up items immediately at 12 p.m. when the event closes. Vendors should be ready to leave the event area no later than 1:00 p.m.

9. Event volunteer coordinators reserve the right to close the event early, cancel the event or make other event changes when in the interest of public safety.

10. No live animals, firearms, alcohol or other regulated substances are allowed for sale.

11. Any vendors of food or drink items agree to follow any regulations or guidelines for those products as outlined by the Cass County Health Department.

12. Event volunteer coordinators reserve the right to remove or deny event access to any vendor who does not comply with the rules above.
