

# Our History. Our Home. Our Heart.

Greetings,

We are sending this letter out to businesses and residents in our community. Our Historic Square is the heart of our community, a core part of our local identity, and how visitors are introduced to our home. A strong Square improves the local economy and quality of life.

As businesses and residents of our community, we want to update you on our mission of the continued revitalization of our Historic Square:

- Brought a Heart, from the KC Parade of Hearts, to the Square - located at the courthouse
- Welcomed 2 new businesses to the Square - Lexington on Square & The District
- Funding of the Facade Grant since 2020 - helping building/business owners improve the front facades of their buildings
- Organizing and funding the Christmas lights on the Square
- Organizing and funding Christmas on the Square since 2015 - this is a free event for the community utilizing volunteers
- Funded pick up after your pet bag stations
- Funding of planters and flowers around the Square
- Funding and changing of banners on the light posts around the Square
- Continuing volunteer support for the Farmers & Artists Market and Junk in the Trunk

As the Square and our organization continues to grow, your support is needed more than ever. We ask that you consider joining us as a partner to create a thriving Square in the heart of Harrisonville.

Sincerely,

Jessica Junge
